### QUILT SIZES

The 2023 Quilt Show will not have any quilts hanging on the wall, so all quilts will need to fit on the show drapes. Show drapes are 8 feet high and 10 feet wide.

- Maximum perimeter of quilt - 360"
- Maximum width of quilt - 84"
- Maximum length of quilt - 96"

We do have eight 10-foot drapes, so we are able to accept up to 12 oversized quilts that will hang on these drapes. The first 12 oversized quilts submitted will be considered for the show. The Show Hanging Committee will have the responsibility for determining if the quilts will fit in the available space.

- Maximum perimeter of quilt 384"
- Maximum width - 96"
- Maximum length - 96"

NOTE - The maximum width of the oversized quilts can be negotiated as we might be able to hang them across more than one drape, but that is at the discretion of the Quilt Hanging Committee.

*Entries will not be judged*

*Viewers' Choice prizes will be awarded*
